## If your home is hard to heat, call Nest

The Welsh Government Warm Homes Nest scheme is here to help you keep warm and save money on your energy bills.

Nest is open to all householders in Wales and provides advice on saving energy, energy tariffs, and benefit entitlement.

In addition to free advice, if you own or privately rent your home and you or someone you live with receives a means tested benefit you may be eligible for home improvements at no cost. These may include a new central heating boiler or insulation.

If your home is hard to heat, please contact Nest on **Freephone 0808 808 2244** for free advice and to see if you are eligible for energy saving home improvements, or visit [nest.gov.wales](http://nest.gov.wales) for more information.

We are working with @NestWales to help make Welsh homes warmer and more energy-efficient places to live. [www.nest.gov.wales](http://www.nest.gov.wales)
